SHABBIR RATANPUR

INTRODUCTION

At Shabs Production, we craft impactful visual content that helps businesses grow and stand out. From business ads and product shoots to brand promotions and posters, we turn ideas into powerful visuals.

Founded by Shabbir Ratanpur in Sharjah, UAE, we've collaborated with multiple brands to deliver creative and results-driven content, helping businesses build a strong digital presence through visuals that tell their story.

HOW CAN WE HELP YOU ?

At Shabs Production, we help businesses build a strong, professional brand presence through creative visuals and smart marketing. From business ad promos, product reels, and photography to logo design, posters, catalogues, and websites, we craft content that stands out. Our social media management ensures your brand reaches the right audience with real growth. With creativity and strategy, we turn your vision into visuals that make an impact.

BUSINESS AD PROMO

Showcase your brand with our Business Ad Promo — designed to boost recognition and visibility!

We offer two options:

- **Brand Recognition Ad** – 2-minute video featuring your company, CEO, and team in action.
- **Brand Recognition + Product Shoot** – Includes all brand highlights plus 6–7 stunning product shots to showcase what you offer. Bring your business to life and make your brand stand out!

POSTER DESIGNING

We offer two types of posters to suit your brand style:

- **Standard Layout Posters** – Clean, consistent designs that maintain your brand's visual identity.
- **Creative Concept Posters** – Unique and customized layouts with fresh ideas to make your business stand out.

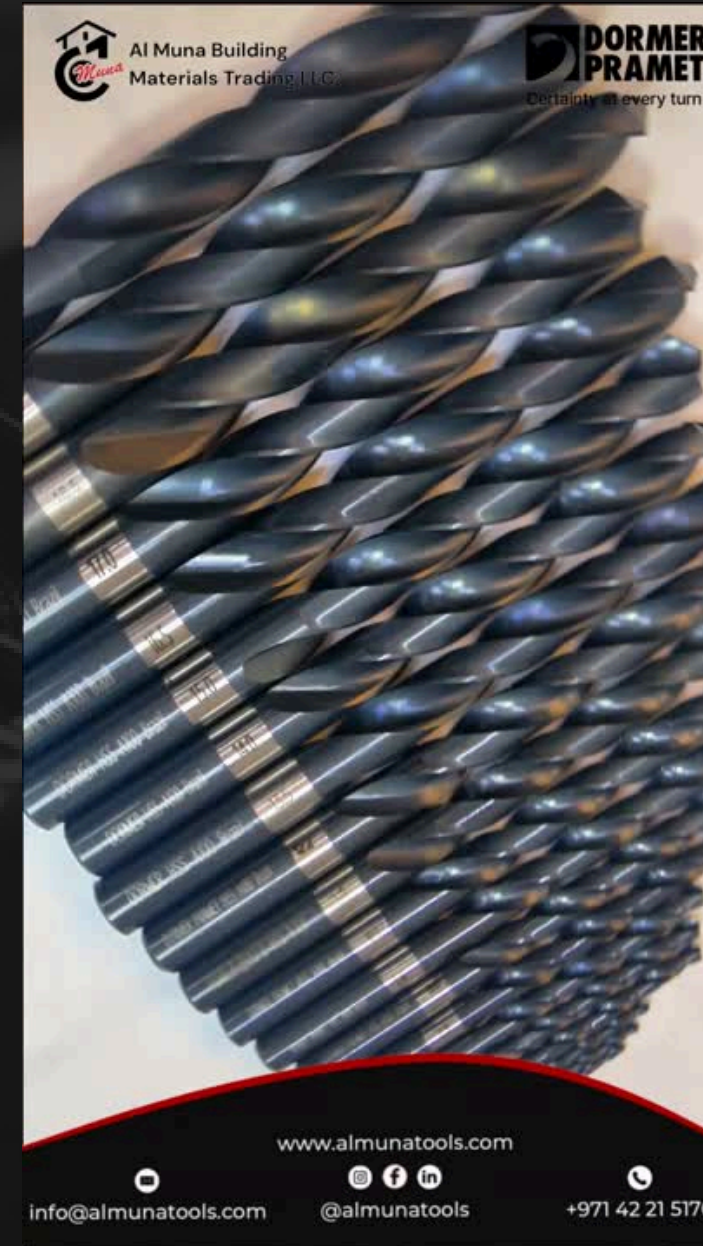

Whether you need professional consistency or a creative twist, we design posters that grab attention...

PRODUCT REEL

Our Product Reels are designed to spotlight a single product — whether it's a new launch, a promotional highlight, or a detailed showcase. Perfect for Instagram, TikTok, and other social media platforms, these short and engaging videos help capture attention, build excitement, and drive sales through visually compelling storytelling.

WEBSITE DEVELOPMENT

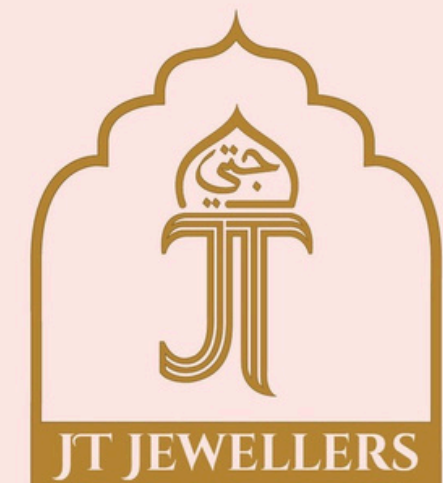

We design and develop professional, user-friendly websites that help businesses establish a strong online presence. From sleek landing pages to complete business websites, we focus on performance, responsiveness, and visual appeal — ensuring your brand stands out and attracts the right audience.

LOGO DESIGNING

We craft custom logos based on your unique ideas and concepts — bringing your vision to life with creativity and precision. From calligraphic to alphabetical and modern minimal designs, we cover all styles to ensure your brand stands out with a memorable and professional identity that truly represents your business.

CATALOGUE

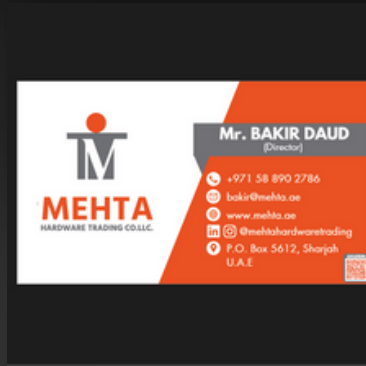

We create professional and visually appealing catalogues that showcase your products and services in the best way possible. Each design is crafted to highlight your brand's identity, engage customers, and make browsing effortless, helping you convert viewers into buyers.

EXPAND YOUR BRAND WITH US

BUSINESS VISITING CARD

Make a lasting first impression with our premium business visiting cards — available in 350gsm and 400gsm quality. We design sleek, professional cards that reflect your brand's identity and ensure your business stands out every time you hand one out.

LETTER HEAD

Give your business a professional identity with our custom-designed letterheads. Perfect for official documents, proposals, and client communication — we design clean, elegant layouts that showcase your brand's logo and details, adding credibility and consistency to every correspondence.

PRODUCT SHOOT

Highlight your products with crisp, high-quality photos on white, green, or any custom background of your choice. Perfect for catalogues, e-commerce, and social media, these shoots make your products stand out with a clean, professional look that enhances brand appeal and attracts customers.

INVITATION CARDS

From elegant corporate invites to creative personal designs, our custom invitation cards are crafted to leave a lasting impression. Whether it's a business event, product launch, or celebration, we design cards that perfectly match your brand's style and theme — professional, premium, and unforgettable.

SOCIAL MEDIA MANAGEMENT

We specialize in managing Instagram, LinkedIn, Facebook, TikTok, and YouTube, helping your brand grow organically and authentically. Our goal is to make your business stand out — increasing engagement, boosting visibility, and building a strong online presence that drives real results. From creative content to consistent strategy, we help your brand gain recognition and market share across every platform.
